Dear Mr. Costantino,

Thank you for your meaningful donation of stuffed animals that you personally delivered to the Pediatric ER for New York Methodist Hospital's **Child Life Program**.

Your donation is greatly appreciated and enables our **Child Life Program** to provide emotional and psycho-social support to children and families and promotes coping with visits to the emergency room, inpatient hospitalization and illness.

Your support truly makes a difference in the lives of our patients as we maintain our Hospital's 135-year mission: to provide excellent health care services in a compassionate and humane manner to the people who live and work in Brooklyn and its surrounding areas.

If you have any questions about your contribution, please contact the Department of Development at (718) 501-6880 or development@nym.org.

With your generosity, together we will help Brooklyn thrive! Thank you for supporting NYM.

Sincerely,

Amanda Donikowski
Director of Development

Please note New York Methodist Hospital provided no goods or services in exchange for this contribution. This contribution is fully tax-deductible as allowed by law.
